Overtime Sports Bar is a family owned and operated Sports Bar & Restaurant. We make 80% of our food from scratch right in our kitchen so we can offer a **GLUTEN FREE MENU** (Gluten Free Beer also available) in addition to our regular menu. Because our food is prepared onsite, we can accommodate most dietary or food related allergen considerations, as brought to our chef's attention. Our burgers are ground from center cut sirloin steak and our deli meats are of the highest quality. Our chickens are "Super Trim", no fat, no preservatives, no filler, no additives, and the chickens are corn fed. **NONE** of our deli meats are packed in water and/or filled with water to make the meat appear fuller and heavier. When companies fill their meats with water they also are using a chemical mixed with the water.

The food we offer is very nutritious and is one of the reasons we were chosen by Dave and Lori Kaliton, the owners of the North Shore Athletic Club, to provide their athletic club with our delicious flour tortilla wraps.

Please visit us at **208 Rantoul St** in Beverly for an enjoyable sit down meal and to cheer on your favorite Boston Sports teams. You will find the atmosphere very comfortable and our establishment **VERY FAMILY AND CHILD FRIENDLY**. Also please enjoy one of our **LIVE, NOT LOUD BANDS**, on Friday and Saturday nights from 9:30PM to 12:30AM. In the spring we plan to open our spacious **OUTDOOR DECK** for your dining and drinking enjoyment.
